About the Garden State Wine Growers Association

The Garden State Wine Growers Association is a non-profit organization that furthers vineyard and wine industries in New Jersey through branding, marketing, public relations, education, legislation, and regulation.

From their founding in 1987, they have encouraged wine enthusiasts to visit wineries across New Jersey. They have strategically used wine education initiatives, marketing campaigns, and special events to do so.

The GSWGGA is also motivated to improve quality of grapes and wine produced in New Jersey, being a valuable resource to NJ vineyards and wineries.
