

NewJerseyWines.com FAQ

1. Can I edit a Winery event after I submit it?

- *Yes! Once logged into newjersyewines.com, you can view all events you have submitted on the My Events page. From here, there will be an edit button on any event in your list and you can click that to edit your event again before approval. You can contact support@newjerseywines.com for any additional help.*

2. Can I change the size of the image while I am creating a winery event?

- *No. Any changes to the size of the image you are posting should be done before you upload.*

3. Can I create an event with multiple dates?

- *Yes! Use the Schedule Multiple Events button underneath the field "Event Time and Date." This will allow you to create a recurring event or an event with multiple dates*

4. How do the events end up in the mobile App?

- *They are automatically synced.*

5. What kind of image do I upload?

- *.jpg or png. We need a size no smaller than half a meg.*
